LADY SATAN

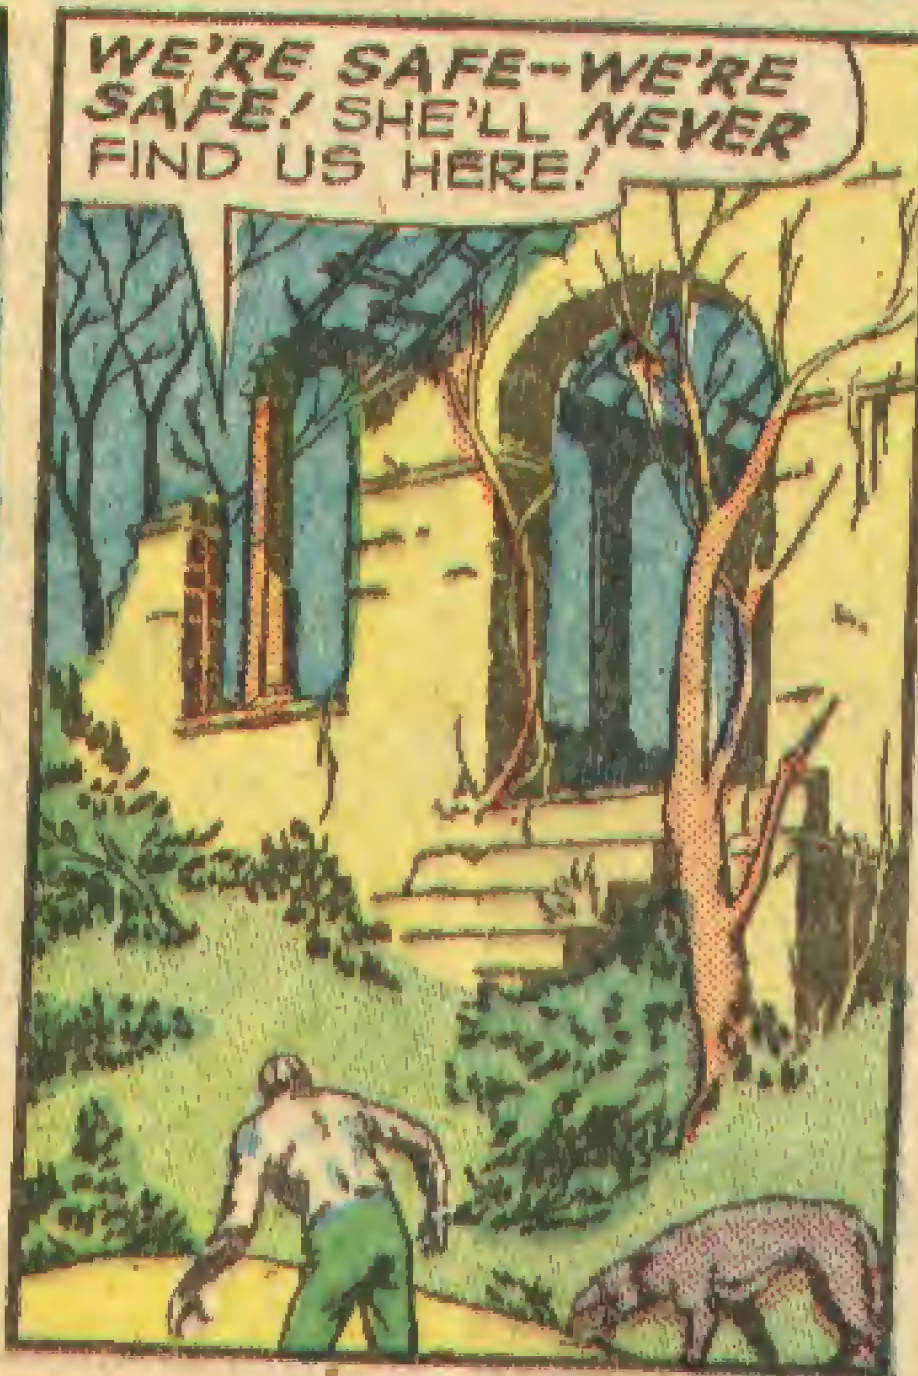

Perhaps I am the only person in the world today who is a master of the art of Black Magic. That is why I am called Lady Satan. If you are an unbeliever and scorn the idea that such creatures as ghosts, vampires and werewolves really exist, read this story and you'll change your mind. It was a dark, stormy night. The rain was beating against my windshield when--

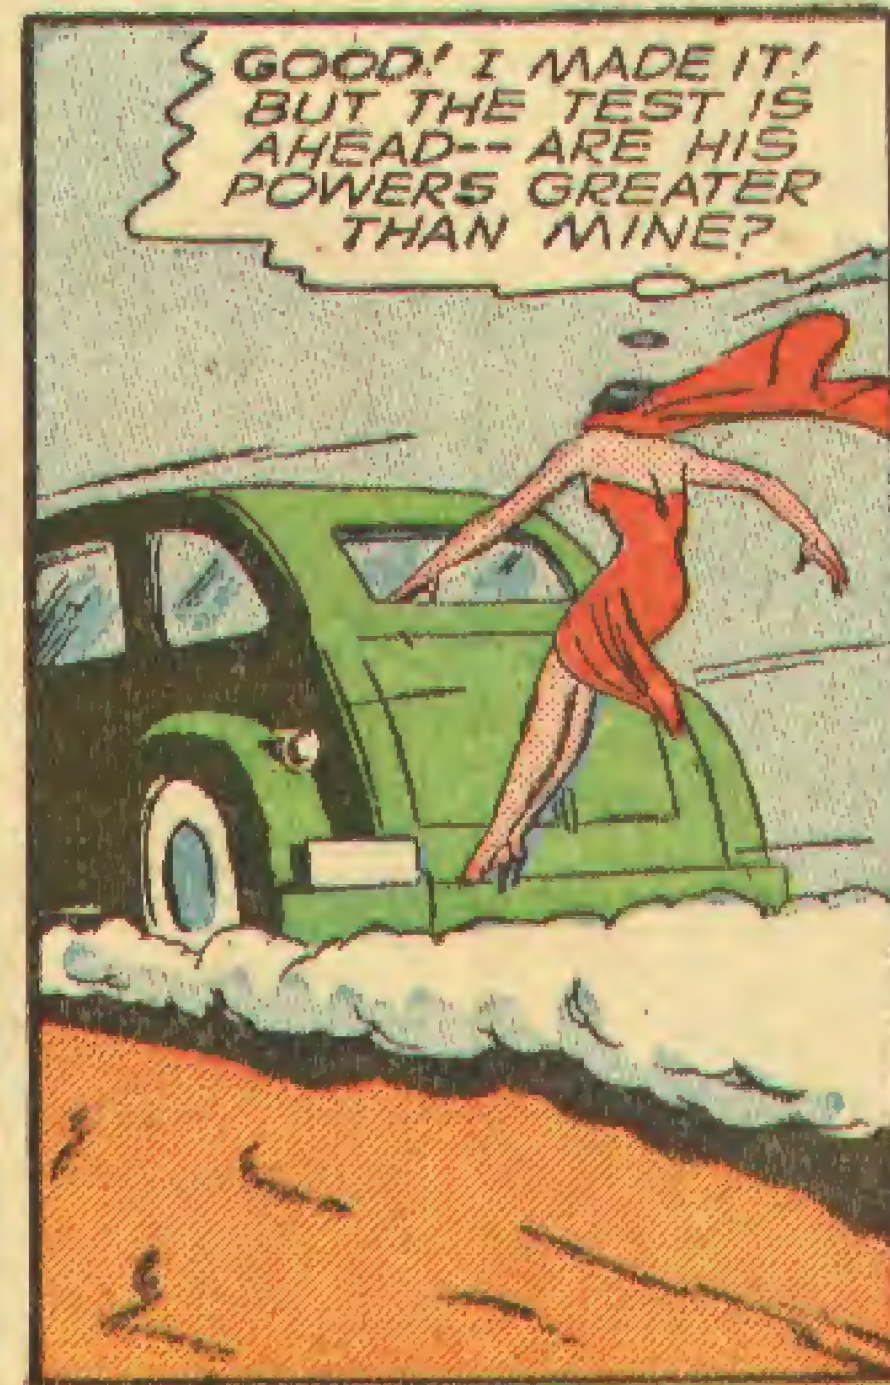

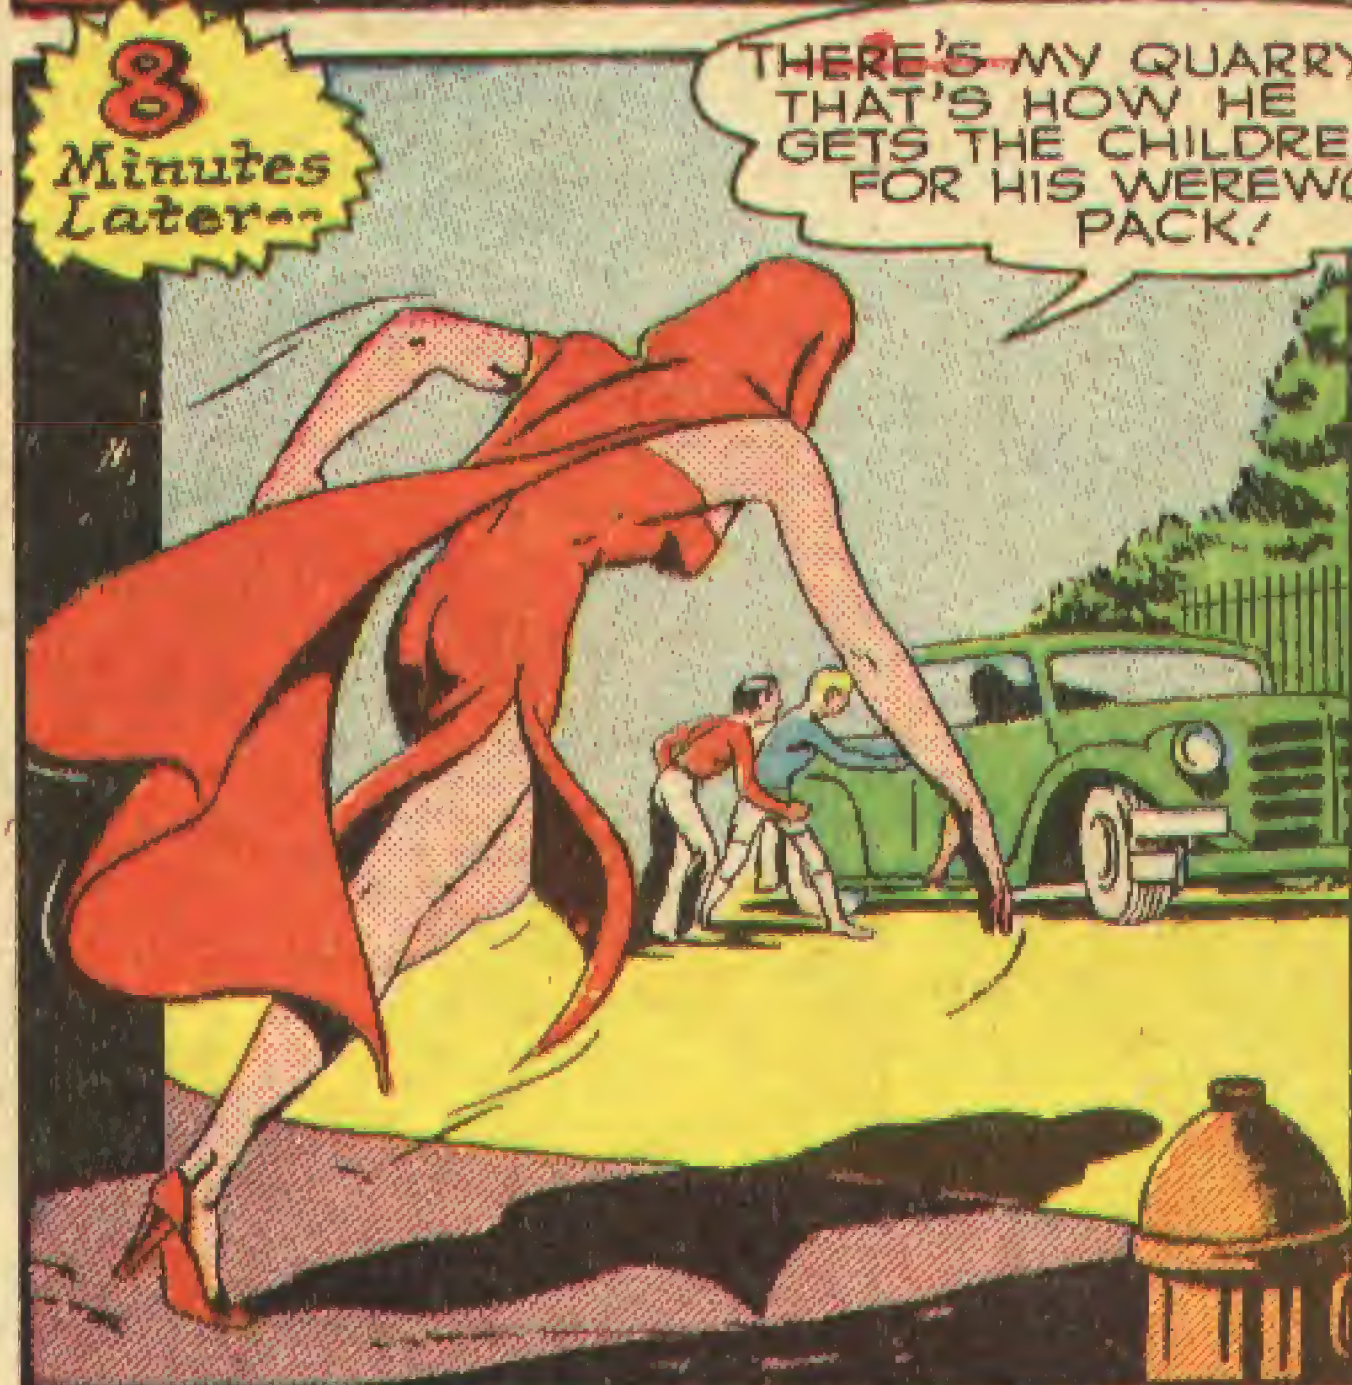

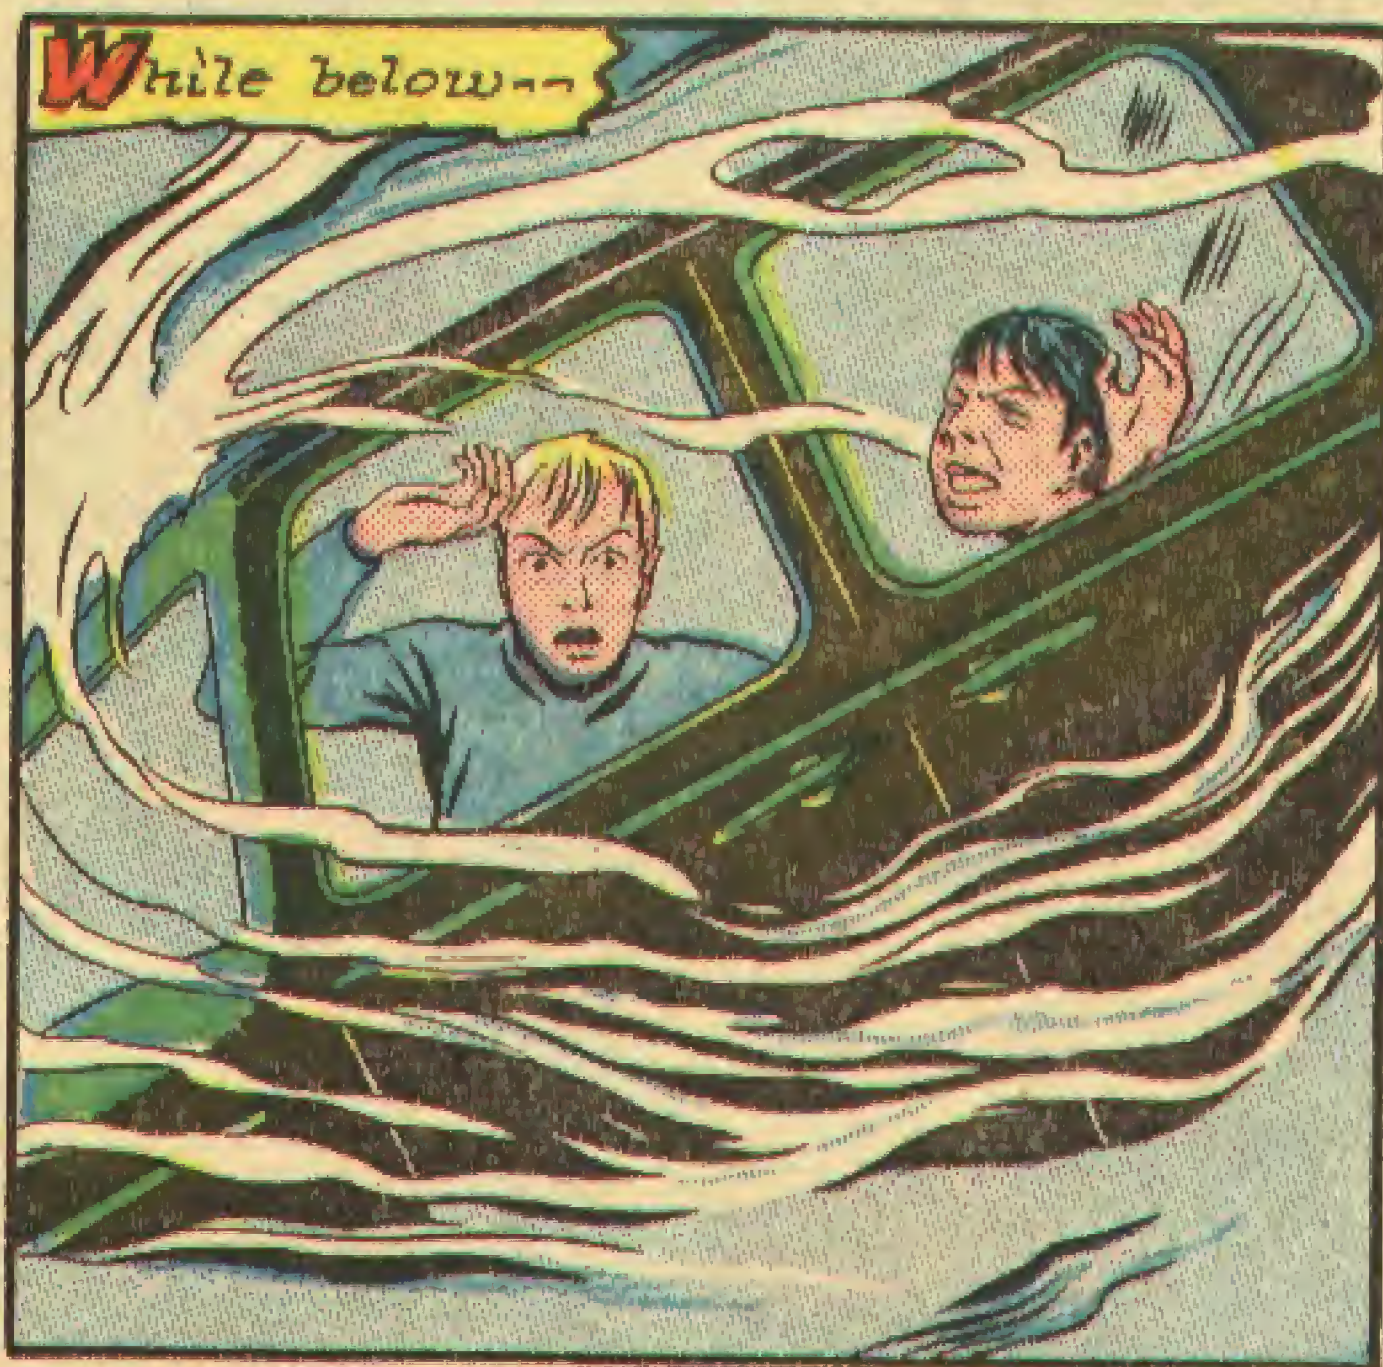

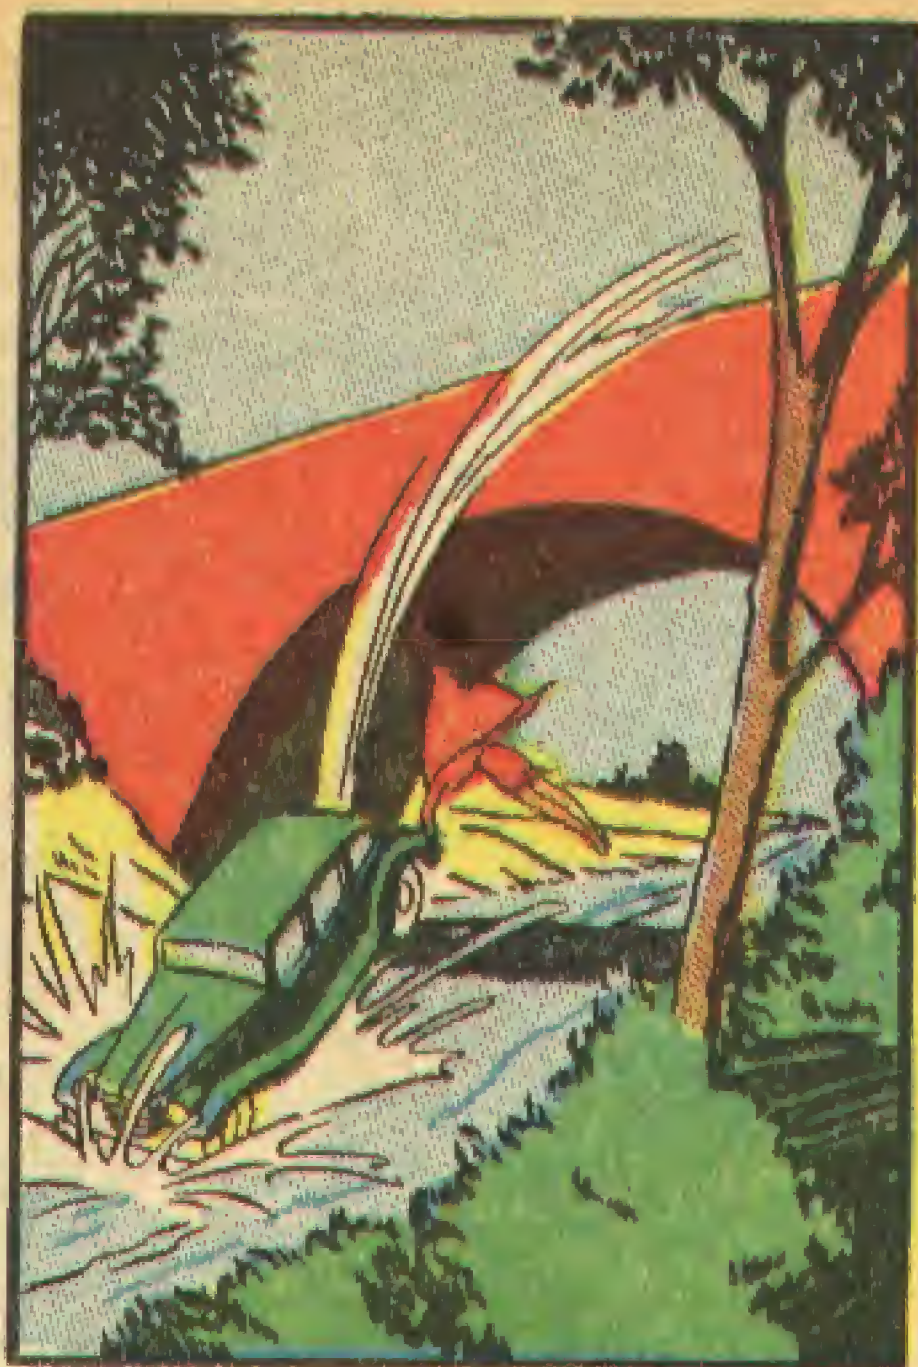

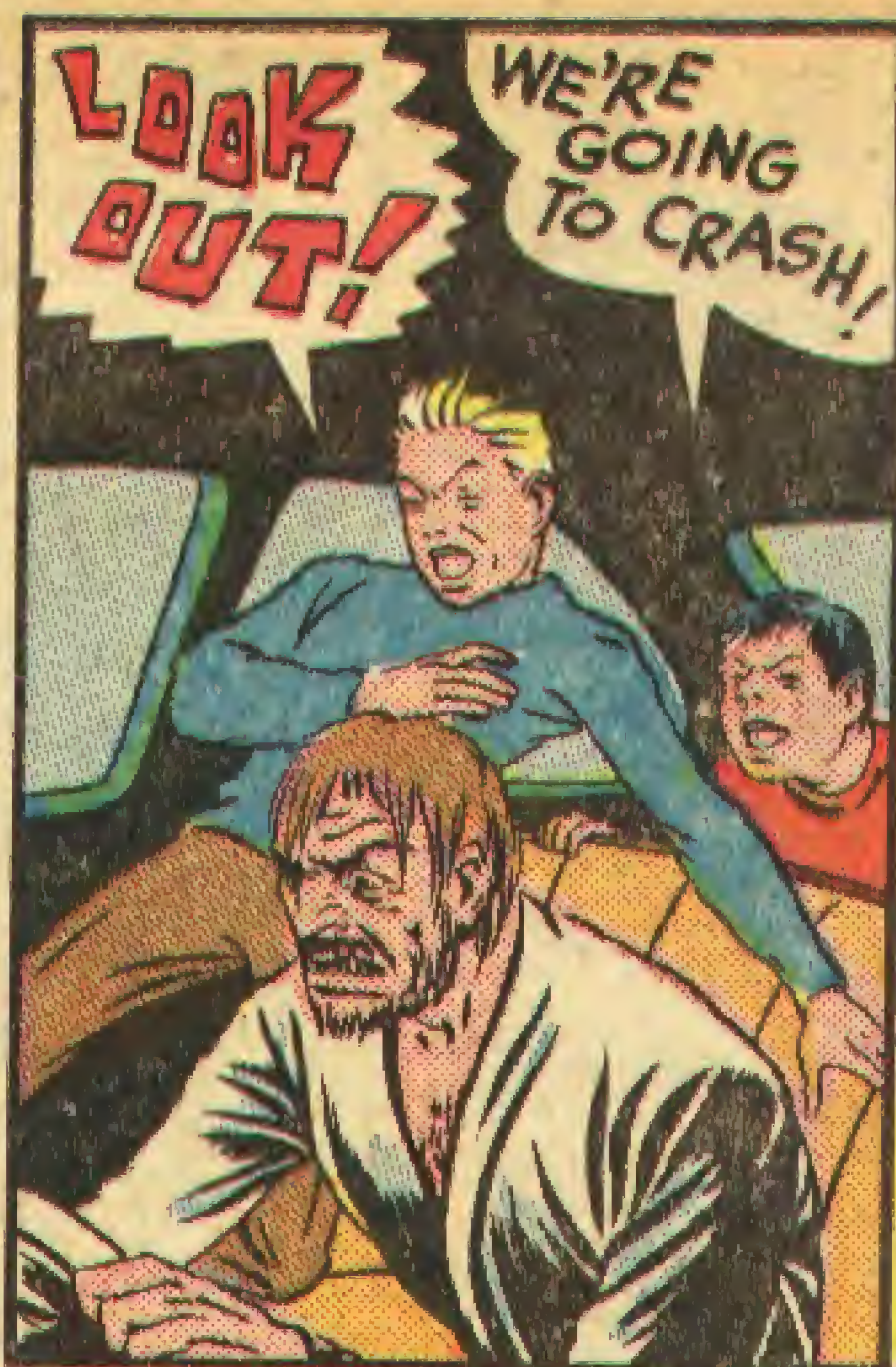

WHAT'S THAT AHEAD ON THE ROAD?
GOOD HEAVENS!

And soon-- I THOUGHT I WAS GOING TO BRING YOU **NEW FRIENDS** BUT SOMETHING INTERFERED! NEVER MIND-- **TONIGHT, I'LL TRY AGAIN!**

PLEASE-- PLEASE-- LET US OUT!

DON'T CHANGE US INTO WOLVES AGAIN!

SILENCE! A FEW MORE VICTIMS AND YOU WILL BECOME LIKE ME-- A WEREWOLF, ANXIOUS TO HUNT OUT YOUR PREY!

YOU SAVED US! WE NEARLY DROWNED!

YES! GO-- BUT NEVER TO TRUST STRANGERS AGAIN. NOW I MUST LEAVE FOR I HAVE A JOB TO DO!

NOW WE MUST GO HOME!

HE FORGOT THAT HIS WET FOOTPRINTS LEFT A TRAIL! THIS IS THE HOUSE-- **HARK-- VOICES DOWNSTAIRS!**

YOU HUMAN FORMS ARE CHANGING NOW-- AND THE WOLVES ARE COMING-- TO FOLLOW THE TRAIL OF BLOOD-- WHAT'S THAT?

You-- You, LADY SATAN!

YES-- AND I'M HERE TO END YOUR DEVIL MAGIC!

No! No! MERCY-- LADY SATAN!

BURN, DRINKER OF BLOOD-- BURN, WEREWOLF MASTER!

So died the most evil of all dwellers of the darkness -- the Master Werewolf. With my powers, I cured the children.-- Perhaps, you still don't believe in these strange creatures of the night-- but you will--if sometime you meet one.
Lady Satan
